

The diagram shows a gray oval representing a lens, divided vertically by a dashed line. A solid magenta line outlines the lens's shape. Inside, two dashed blue lines represent the front and back surfaces. On the left side, the text 'Rückseite' is centered. Below it, a vertical blue line with a horizontal crossbar at the top and bottom is labeled 'optische Mitte'. On the right side, the text 'Vorderseite' is centered. Below it, a similar vertical blue line with a horizontal crossbar is labeled 'optische Mitte'.
