Grafik-Datenblatt

The image shows a calendar grid for the year 2020, designed for A3 paper. The grid is divided into 12 columns representing the months from January to December. Each month contains a grid of days with their respective day of the week and date. A vertical dashed line labeled 'Falzlinie' (fold line) runs down the center, between June and July. A horizontal dashed line is located at the top, 9 mm from the top edge. A solid horizontal line is located at the bottom, 210 mm from the top edge. A large '2020' is printed in the top right corner. Dimensions are indicated: 9 mm for the top margin, 297 mm for the height of the main grid area, and 210 mm for the height of the bottom section.
